The details may please be provided well in time in the form given in the Annual Report which will be mailed to the members of the company.
- Members holding shares in electronic form are informed that Bank particulars registered against their respective depository account will be used by the company for payment of dividend. The Company or its Registrar cannot act on any request received directly from the members holding shares in electronic form for any change of bank particulars or bank mandates. The members have to advise such changes only to their depository participant.

## 26. Transfer to Investor Education and Protection Fund ("IEPF")

### a. Transfer of unclaimed dividend

In accordance with Sections 124 and 125 of the Act, all unclaimed dividends up to the financial year ended 31st March 1997 and for the years ended 31st March 2007, 2011, 2012 and 2013 which remained unclaimed for a period of seven years have been transferred to the Investor Education and Protection Fund ("IEPF") of the Central Government. Members who have not encashed their dividend warrant(s) for the said years are requested to forward their claims by submitting Form IEPF - 5, which is available in the [website, www.iepf.gov.in](http://www.iepf.gov.in).

The unclaimed dividends in respect of the following years will be transferred to IEPF on various dates as detailed below:

| Financial Year                     | Due date for transfer to IEPF |
|------------------------------------|-------------------------------|
| 2013-14: Dividend on Equity Shares | 3rd November 2021             |
| 2014-15: Dividend on Equity Shares | 4th November 2022             |
| 2015-16: Dividend on Equity Shares | 31st October 2023             |
| 2016-17: Dividend on Equity Shares | 1st November 2024             |
| 2017-18: Dividend on Equity Shares | 31st October 2025             |
| 2018-19: Dividend on Equity Shares | 30th October 2026             |
| 2019-20: Dividend on Equity Shares | 23rd January 2028             |

The Company urges all the Members to encash/claim their respective dividend(s) during the prescribed period. Members who have not encashed the dividend warrants so far in respect of the above periods are requested to make their claim to SKDC Consultants Limited well in advance of the above due dates.

### b. Transfer of shares to IEPF

The members may note that in case dividend is not claimed for seven consecutive years, besides transfer of the unclaimed dividend to IEPF, the Company shall transfer the shares in respect of which the dividend was so unclaimed to the dematerialized account of

IEPF under Section 124(5) of the Act and the IEPF Rules. Accordingly, the Company has transferred **4,56,073** equity shares of ₹ 10 each to the dematerialized account of IEPF authority during the financial years 2019, 2020 and 2021.

The Company had sent individual notices to all the members whose shares were due to be transferred to IEPF Authority and had also published newspaper advertisement in this regard.

The details of such unclaimed dividends and shares for the financial years are available on the company's website at [www.sakthifinance.com](http://www.sakthifinance.com) and on the website of Ministry of Corporate Affairs at <https://www.iepf.gov.in>.

27. Members are requested to support the Green Initiative by registering / updating their e-mail addresses, with the Depository Participant (in case of shares held in dematerialized form) or with SKDC Consultants Limited (in case of shares held in physical form).

28. Since the AGM will be held through VC / OAVM in accordance with the MCA Circulars, the route map, proxy form and attendance slip are not attached to the Notice.

### 29. Updation of Member's details

Members are requested to quote their Folio Number/ DP ID/Client ID in all their correspondences.

The format of the Register of Members prescribed by the Ministry of Corporate Affairs under the Act requires the Company / RTA to record additional details of Members, including their PAN details, e-mail address, bank details for payment of dividend etc. A form for capturing the additional details is appended at the end of this Annual Report.

Members holding shares in physical form are requested to submit the filled in form to the Company or RTA. Members holding shares in electronic form are requested to submit the details to their respective Depository Participants.

### 30. Voting through electronic means

The Members can join the AGM in the VC / OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC / OAVM will be made available for 1,000 members on first come first serve basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders' Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first serve basis.

### 31.1. PROCESS AND MANNER FOR MEMBERS OPTING FOR VOTING THROUGH ELECTRONIC MEANS

- Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements)

Regulations 2015 (as amended) and the Circular issued by the Ministry of Corporate Affairs dated 13th January 2021, in continuation and read with its Circulars dated 8th April 2020, 13th April 2020 and 5th May 2020, the Company is providing the facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited ("CDSL") for facilitating voting through electronic means, as the authorised e-Voting agency. The facility of casting votes by a member using remote e-voting as well as e-voting during the AGM will be provided by CDSL.

- ii. Members whose names are recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the cut-off date i.e. **Thursday, 23rd September 2021**, shall be entitled to avail the facility of remote e-voting as well as e-voting during the AGM. Any recipient of the Notice, who has no voting rights as on the cut-off date shall treat this Notice as intimation only.
- iii. A person who has acquired the shares and has become a member of the Company after the despatch of the Notice of the AGM and prior to the cut-off date i.e. **Thursday, 23rd September 2021**, shall be entitled to exercise his / her vote either electronically i.e. remote e-voting or e-voting during the AGM by following the procedure mentioned in this part.
- iv. The remote e-voting will commence on **Monday, 27th September 2021 at 9.00 a.m.** and will end on **Wednesday, 29th September 2021 at 5.00 p.m.** During this period, the members of the Company holding shares either in physical mode or in demat mode as on the cut-off date i.e. **Thursday, 23rd September 2021** may cast their vote electronically. The members will not be able to cast their vote electronically beyond the date and time mentioned above and the remote e-voting module shall be disabled for voting by CDSL thereafter.
- v. Once the vote on a resolution is cast by the member, he/she shall not be allowed to change it subsequently or cast the vote again.
- vi. The voting rights of the members shall be in proportion to their shares in the paid up equity share capital of the Company as on the cut-off date i.e. **Thursday, 23rd September 2021**.
- vii. The Company has appointed Sri. K. Murali Mohan, Chartered Accountant (Membership No. 14328) to act as the Scrutiniser for conducting the remote e-voting process as well as the e-voting during the AGM, in a fair and transparent manner.

## 2. PROCESS FOR THOSE MEMBERS WHOSE EMAIL - IDs ARE NOT REGISTERED :

- a. **For members holding shares in Physical form :** Please provide necessary details like Folio No, Name of shareholder, scanned copy of the share certificate (front and back), PAN (self-attested

scanned copy), Aadhaar (self-attested scanned copy) by e-mail to [green@skdc-consultants.com](mailto:green@skdc-consultants.com).

- b. **For members holding shares in Demat form :** Please update your e-mail id and mobile no. with your respective Depository Participant ("DP") which is mandatory while e-Voting and joining virtual meetings through Depository.

## 3. THE INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE VOTING ARE AS UNDER:

- i. The voting period begins on **Monday, 27th September 2021 at 9:00 a.m.** and ends on **Wednesday, 29th September 2021 at 5:00 p.m.** During this period, shareholders of the Company holding shares either in physical form or in dematerialised form, as on the cut-off date i.e. **Thursday, 23rd September 2021**, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii. Members who have already voted prior to the meeting date would not be entitled to vote during the Meeting.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/ CMD/ CIR/P/2020/242 dated 9th December 2020, under Regulation 44 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers ("ESPs") providing e-voting facility to listed entities in India. This requires registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single log-in credentials, through their demat accounts/ websites of Depositories / Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of SEBI Circular no. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated 9th December 2020 in respect of e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account(s) maintained with Depositories and Depository Participants. Members are advised to update the details of their mobile number and e-mail Id in their demat accounts in order to access e-Voting facility.

#### Item No.7

As per the provisions of Section 42 and 71 of the Companies Act 2013 ("the Act") read with the Companies (Prospectus and Allotment of Securities) Rules 2014 and the Companies (Share Capital and Debentures) Rules 2014 (including any statutory modification(s) or re-enactment thereof for the time being in force), a company which offers or make an invitation to subscribe to Non-Convertible Debentures ("NCDs") on private placement basis, is required to obtain the prior approval of the members by way of a Special Resolution, which can be obtained once in a year for all the offers and invitations for such NCDs during the year.

Borrowings through NCDs and other debt securities, issued on private placement basis form a significant source of funds for the Company. The borrowings of the Company presently aggregate approximately to ₹ 933.91 crore, of which Secured or Unsecured NCDs, Subordinated bonds and other debt securities, privately placed, aggregate approximately to ₹ 367.19 crore.

The Company expects to borrow an amount not exceeding ₹ 500 crore by way of NCDs and other debt securities during the period commencing from the conclusion of the Sixty Fourth Annual General Meeting until the conclusion of the Sixty Fifth Annual General Meeting. The issue proceeds are expected to be used to fund the hire purchase finance operations of the Company and for general working capital requirements.

Hence, the approval of the Members is being sought by way of a Special Resolution for the proposed issue of NCDs and other debt securities on private placement basis. Further, Members are requested to authorize the Board (including any committee thereof) to offer and issue NCDs and other debt securities on private placement basis, in one or more series or tranches, within the overall borrowing limits of the Company, as approved by the members from time to time.

**Disclosures as required under Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules 2014 and Rule 13(2) of the Companies (Share Capital and Debentures) Rules 2014, to the extent applicable, the material facts in relation to the above issue of NCDs and other debt securities are as follows:**

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

### INDIAN ECONOMY

During the financial year 2020-21, the global and Indian economies experienced the impact of Covid-19 pandemic, which was both unprecedented and extensive. Emerging and developing economies like India, suffered heavily, while the health care infrastructure was severely stressed due to high prevalence of Covid-19 cases.

The pandemic impacted both formal and informal sectors of the Indian Economy. The Indian Economy experienced economic recession, for the first time, in four decades. The Gross Domestic Product ("GDP") contracted 24.4 per cent during the first quarter of financial year 2020-21. However, thanks to subsequent all-round improvements, the de-growth for the full financial year was limited to 7.3 per cent, as compared to 4.2 per cent growth in financial year 2019-20.

The International Monetary Fund ("IMF") has cut India's GDP growth for the financial year 2021-22 to 9.5 per cent from the earlier projection of 12.50 per cent due to Covid-19 impact. The world economy, on the other hand, shrank by 4 per cent in 2020 and is expected to grow by 5.8 per cent in 2021.

### COVID -19 PANDEMIC IMPACT

The financial year 2020-2021 started with outbreak of Covid-19 pandemic from March 2020 - July 2020. India and your Company was no exception to the outbreak of the pandemic. Your Company's operations, in relation to business disbursements and collections, were impacted to an extent and management of liquidity position was also challenging during that period.

The Reserve Bank of India ("RBI") had risen to the occasion and supported the Indian economy by announcing moratorium on loans up to May 2020, which was further extended up to August 2020 to lessen the burden of the borrowers.

The Government of India and RBI announced various measures and relaxations to ensure that sufficient liquidity is in the hands of the businessmen and borrowers so that the negative effect of the pandemic is mitigated to some extent. Our Company also adopted a policy of moratorium and extended the benefits to our customers so as to relieve the burden of debt servicing by them, as per the approved terms of Government of India and RBI.

### OPPORTUNITIES AND THREATS

During the financial year 2020-21, the automobile industry recorded a decline of 6.1 per cent in domestic sales as against 20.3 per cent reduction during the financial year 2019-20. The main reasons for fall in demand are, the pandemic, rising cost of BS VI vehicles, lack of essential electronic components affecting production and difficulty in obtaining finance for purchase of vehicles etc.

However, since our Company is principally engaged in financing of pre-owned commercial vehicles, we are unlikely to be impacted much during the financial year 2021-22,

especially if the monsoon were to be normal. But the advent of the second wave of the pandemic from April 2021 till date and the threat of the third wave, has made all projections difficult.

### PERFORMANCE AND FINANCIAL REVIEW

During the financial year 2020-21, your company disbursed Hire Purchase Advances to the tune of ₹ **528 crore** as against ₹ 671.32 crore in the previous financial year 2019-20, due to the lockdowns.

The total deposits held by the company as on 31st March 2021 stood at ₹ **164.38 crore**, as against ₹ 184.82 crore on the last day of previous financial year.

The total income for the financial year 2020-21 was ₹ **171.34 crore** and the net profit after tax for the year was pegged at ₹ **9.26 crore**, being 17.19 per cent lower than previous year, mainly due to increase in borrowings. The company accounted for depreciation, amortization and impairment an amount of ₹ **12.09 crore** in the statement of profit and loss.

### KEY FINANCIAL RATIOS

The following are the Key Financial Ratios of the Company for the financial year 2020-21 as compared to the financial year 2019-20.

| Ratios  | March 2021 (%) | March 2020 (%) |
|---|----------------|----------------|
| Return on Net Worth                               | 5.56           | 6.96           |

### RISKS AND CONCERNS

Your Company, like any NBFC, is also subject to normal industry risks faced by NBFCs such as credit, market, interest and operational risks. Your company always takes pro-active and prudent risk management practices to mitigate these risks. These risk management policies are periodically reviewed by the Risk Management Committee and Audit Committee so that they are in line with your Company's strategic needs.

## INTERNAL CONTROL SYSTEM AND ITS ADEQUACY

Your company has sound and adequate system of internal controls to monitor and regulate all the activities. Further, your company adheres strictly with all internal control policies and procedures and other regulatory requirements.

## PROSPECTS

The second wave of the pandemic and the resultant lockdowns in the first half of financial year 2021-22 have badly affected all business parameters, across all business sectors, including your company.

The prospects for growth will depend on various factors. With the COVID-19 pandemic affecting the Indian economy under lockdown conditions, any improvement in business can take place only with the implementation of fiscal and regulatory support.

However, rural India has not been affected much by the pandemic. The expectation of normal monsoon during the year augurs well for the agricultural sector and will lead to increased commercial activities in rural areas.

The lockdowns implemented across four Southern States, both in the previous year and in the first quarter of current year, have created pent-up demand, which your company will try its best to capture in the second half of the current year.

## Cautionary Statement

*Certain statements made in the Management Discussion and Analysis Report describing the Company's objectives, predictions may be "forward-looking statements" within the meaning of applicable laws and regulations. Actual results may vary significantly from forward-looking statements contained in this report due to various risks and uncertainties. These risks and uncertainties include the effect of economic and political conditions in India, change in interest rates, new regulations and Government policies that may impact the Company's business as well as its ability to implement the strategy.*

Further, your company's focus is on financing of pre-owned Commercial Vehicles. Hence by increasing its presence in our operational areas with larger network of branches, your Company will increase its business operations and profitability in the coming years.

With the continuing support from our loyal customer base, we were able to mobilize NCDs for ₹ 198 crores as against a public issue of ₹ 100 crores, being the base issue size, during July, this year.

## HUMAN RESOURCES DEVELOPMENT

For the financial year ended 2020-21, your Company had a very harmonious and cordial relationship with all its employees. There were 511 permanent employees on the rolls of the company as on 31st March 2021. The human resources policy of the Company aims to establish and build a strong performance-oriented and competency-driven culture with higher sense of accountability and responsibility among all its employees. Your Company takes concrete steps to strengthen the organizational competency through various training programmes for various levels on a regular basis for all its employees.

## POLICY ON REMUNERATION

(Forming part of Nomination and Remuneration Committee Charter)

The Remuneration policy of the Company is in consonance with the industry practices and aims to attract, retain, develop and motivate a high performance workforce. The policy ensures equality, fairness and consistency in rewarding the employees on the basis of performance. The details of Policy on remuneration for Directors, Key Managerial Personnel and other employees of the Company are given below.

“In order to identify, attract, retain and motivate competent persons, a clear relationship of remuneration to performance and a balance between rewarding short and long-term performance of the Company, the Board of Directors of the Company, as recommended by the Nomination and Remuneration Committee (“NR Committee”), has adopted a charter on appointment and remuneration as enumerated in Section 178 of the Companies Act 2013 on 9th August 2014. The policy provides a framework for remuneration to the members of the Board of Directors, Key Managerial Personnel (“KMP”) and other employees of the Company”.

### A. Criteria for selection/appointment of and Remuneration to Non-Executive Directors

#### i. Criteria of selection

- a. The Non-Executive Directors shall be persons of integrity with relevant expertise and experience so as to have a diverse Board with Directors having expertise in the fields of finance, banking, accounts, taxation and general management.
- b. In the case of Independent Directors, that the candidate, in addition to the requirements under (a) above, should satisfy the criteria of independence as stipulated in the Companies Act 2013 and the Listing Regulations.
- c. The Nomination and Remuneration Committee while recommending a candidate for appointment as a Director, shall consider and get itself satisfied about:
  - The candidate is qualified for appointment under Section 164 of the Companies Act 2013.
  - Attributes / criteria regarding qualification and experience in relevant field
  - Personal, Professional or business standing
  - Requirement with respect to Board’s diversity
- d. In the case of re-appointment, the performance evaluation of the Director and his level of participation will be considered.

#### ii. Remuneration to Non-Executive Directors

The Non-Executive Directors are entitled to receive remuneration by way of sitting fees for each meeting of the Board or Committee of Board attended by them of such sum as may be approved by the Board of Directors within the overall limits prescribed under the Companies Act 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules 2014.

They are also entitled for reimbursement of expenses in connection with participation in the Board / Committee Meetings.

The Independent Directors of the Company are not entitled for Stock Option Scheme of the Company, if any.

### B. Criteria for selection/appointment of and Remuneration to Executive Directors

#### i. Criteria for selection/appointment

The NR Committee shall identify persons of integrity having relevant experience, expertise and leadership quality for appointment for the position of Executive Director viz. Managing Director etc. The NR Committee shall ensure that the identified persons also fulfil the conditions like age limit under the Companies Act 2013 and other applicable laws, if any.

#### ii. Remuneration

The Managing Director will be paid such remuneration and perquisites as may be mutually agreed upon at the time of appointment or re-appointment between the Company and the Managing Director, taking into consideration the profitability of the Company and the overall limits prescribed under the Companies Act 2013.

The remuneration of Managing Director of the Company consists of fixed remuneration and variable portion by way of commission not exceeding 5% of the net profit calculated in accordance with the Companies Act 2013.

### C. Criteria for selection/appointment of and Remuneration to Senior Management Personnel

Based on the criticality of the role and responsibility of the Key Managerial Personnel (“KMP”), the NR Committee decides on the required qualifications, experience and attributes for the position and on the remuneration based on the industry benchmark and the current compensation trend in the market. The remuneration consists of fixed components like salaries, perquisites and a variable component comprising annual bonus, if declared. Based on the selection criteria laid as above and remuneration, the Committee identifies persons and recommends to the Board for consideration and appointment.

In respect of other Senior Management Employees, the NR Committee will recommend to the Board, all remuneration, in whatever form, payable to them for its approval.

Senior Management means Officers/Personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising members of Management, one level below the Chief Executive Officer/ Managing Director, including Company Secretary, Chief Financial Officer and the functional heads.

Annual increments are given on time scale basis and further increase to deserving employees based on the performance review.

## CORPORATE GOVERNANCE REPORT

## Annexure 3

(Pursuant to Regulation 34(3) read with Schedule V to SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015) ("Listing Regulations")

### 1. Company's Philosophy on Corporate Governance

Corporate Governance is a set of principles, processes and systems to be followed by Directors, Management and all the employees of the Company for enhancement of shareholders value, keeping in view the interest of other stakeholders. Integrity, transparency and compliance with regulations in dealing with members, employees, customers, lenders, regulators and government agencies are the objectives of good corporate governance. The Company adopts and practices these principles of good Corporate Governance while ensuring integrity, transparency and accountability at all levels in the organisation.

### 2. Board of Directors

#### a. Composition and Category of Directors

As on 31st March 2021, the Board of Directors consists of eight (8) members. The Board has a Non-Executive Chairman, a Vice Chairman and Managing Director, a Whole-Time Director (Finance and Operations) and other five Non-Executive Directors, of which four are Independent Directors (including a women director), who bring in a wide range of skills, experience and expertise to the Board. The number of Independent Directors is 50% of the total number of Directors on the Board. The composition of the Board is in conformity with the provisions contained in Companies Act 2013 ("the Act") and Regulation 17 of the Listing Regulations.

In accordance with Regulation 25(8) of the Listing Regulations, all Independent Directors ("IDs") have confirmed that they meet the independence criteria as mentioned under Section 149 of the Act, the rules framed thereunder and Regulation 16(1)(b) of the Listing Regulations. The IDs have further stated that they are not aware of any circumstance or situation, which exist or may reasonably be anticipated that could impair or impact their ability to discharge their objective, independent judgement and without any external influence. The company has received confirmation from all existing IDs that they have registered with Independent Director's Database maintained by the Indian Institute of Corporate Affairs ("IICA"), Manesar, pursuant to Rule 6 of the Companies (Appointment and Qualification of Directors) Rules 2014. Based on the disclosures received from all the IDs and as determined at the meeting held on 30th June 2021, the Board is of the opinion that the IDs fulfill the conditions of independence as specified in the Act and are independent of management.

None of the Independent Directors on the Board serve as an Independent Director in more than seven listed companies. All Independent Directors also comply with the limit of Independent Directorship as prescribed in the Listing Regulations.

The Board of Directors and its Committees meet at periodic intervals. Policy formulation, setting up of goals and evaluation of performance and control function vest with the Board. The Board has constituted Eleven (11) Committees, namely, Audit Committee, Nomination and Remuneration Committee, Stakeholders' Relationship Committee, Corporate Social Responsibility Committee, Asset Liability Management Committee, Risk Management Committee, Information Technology ("IT") Strategy Committee, Finance and Investment Committee, Allotment Committee, NCD Issuance Committee and Policy Review Committee.

The necessary disclosures regarding the committee positions have been made by the Directors. None of the Directors on the Company's Board is a member of more than ten (10) Committees and Chairman of more than five (5) Committees (the committees being Audit Committee and Stakeholders' Relationship Committee) across all Companies in which they are Directors.

The Company has issued formal letters of appointment to the Independent Directors and the terms of their appointment are disclosed on the Company's website, <https://sakthifinance.com/board-of-directors>.

During the financial year 2020-21, none of the Independent Directors of the Company have resigned before the expiry of their tenure. Thus, disclosure of detailed reasons for their resignation along with their confirmation that there are no material reasons, other than those provided by them is not applicable.

During the year, the Independent Directors had a separate meeting on 30th July 2020 for the financial year 2019-20 and on 13th February 2021 for the financial year 2020-21 without the participation of Non-Independent Directors and Promoter Directors.

Dr. M Manickam, Chairman, Sri M Balasubramaniam, Vice Chairman and Managing Director and Sri M Srinivaasan, Director are related to each other as brothers.

#### b. Number of Board Meetings held during the year

During the financial year 2020-21, Eight (8) Board Meetings were held on 30th July 2020, 24th August 2020, 15th September 2020, 11th November 2020, 19th January 2021, 13th February 2021, 3rd March 2021 and 30th March 2021. The gap between two meetings is within one hundred and twenty days only. The information as required under Regulation 17(7) of the Listing Regulations is made available to the Board for discussion and consideration at Board Meetings. The Board also reviews compliance reports of all laws applicable to the company on quarterly basis. The Board of Directors have, at their meeting held on 13th February 2021, appointed a Chief Compliance Officer to oversee all the Compliance related activities.

The Company Secretary attends all the meetings of the Board and its Committees and is, *inter alia*, responsible for recording the minutes of such meetings. The draft minutes of the Board and its Committees were sent to the members for their comments in accordance with the Secretarial Standards. Thereafter, the minutes were entered in the minutes book within 30 (thirty) days of conclusion of the meetings, after incorporation of the comments, if any, received from the Directors.

Due to the Covid-19 pandemic, during the financial year 2020-21, meetings of the Board were held through video conference / physically in accordance with the provisions of law.

#### c. Familiarisation programme for Independent Directors

The familiarization process followed by the Company includes briefing about the Board's composition and conduct, roles, rights, responsibilities of Directors, nature of the industry, regulatory matters, details about the Company, Group and its culture. The familiarization process is disclosed at the Company's web link <https://sakthifinance.com/board-of-directors>.

#### f. Attendance and other Directorships

The composition of the Board of Directors, category, relationship with other Board Members, attendance at Board Meetings held during the financial year and at the last Annual General Meeting, number of other Directorships and Committee Chairmanship / Membership held are given below:

## INDEPENDENT AUDITORS' REPORT

To  
 The Members of Sakthi Finance Limited  
 Report on the Audit of the financial statements

### Opinion

1. We have audited the accompanying financial statements of Sakthi Finance Limited ("**the Company**"), which comprise the Balance Sheet as at 31st March 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act 2013 ("**the Act**") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules 2015 as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2021 and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing ("**SA**") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the

Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Emphasis of Matter

4. We draw attention to Note 2(d) to the accompanying Financial statements, which explains the impact of the COVID 19 pandemic and management assessment of the probable material impact on Company's operations and financial metrics, including the non-fulfillment of the obligations by the customers due to lockdown, extended moratorium allowed by Government and other restrictions related to Covid-19 situation. Our opinion is not modified in respect of this matter.

### Key Audit Matters

5. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters.

| Key Audit Matter  | How the matter was addressed in Audit  |
|---|--|
| <p><b>5.1 Asset Classification</b></p> <p>Accuracy in identification and categorization of receivables from financing activities as performing and non-performing assets and in ensuring appropriate asset classification, existence of security, income recognition, provisioning/ write-off thereof and completeness of disclosure including compliance with applicable guidelines issued by Reserve Bank of India (RBI).</p> | <p>We have assessed the systems and processes laid down by the company to appropriately identify and classify the receivables from financing activities including those in place to ensure correct classification, income recognition and provisioning/ write-off including Non-performing assets as per applicable RBI guidelines. The audit approach includes testing the existence and effectiveness of the control environment laid down by the management and conducting detailed substantive verification on selected samples of continuing and new transactions in accordance with the principles laid down in the Standards on Auditing and other guidance issued by the Institute of Chartered Accountants of India. Agreements entered into regarding significant transactions including related to Hire Purchase and Pronote Loans have been examined to ensure compliance. We have also reviewed the reports generated from management information systems, audit/ inspection reports issued by the internal/secretarial auditors and RBI. The impact of all significant external and internal events including those if any, subsequent to Balance Sheet date have been taken into consideration for the above purposes. Compliance with material disclosure requirements prescribed by RBI guidelines and other statutory requirements have been verified.</p> |

|  |  |
|--|--|
| <p><b>5.2 Information Technology System</b></p> <p>The dependence of Information technology (IT) system is run throughout the operating cycle of the company. Hence the reliability on Company's key financial accounting and reporting processes are tied with the effectiveness and efficiency of IT systems, IT controls over the voluminous transactions, process around such information systems and the usage of information from such systems.</p> <p>We observed that any probability of deficiencies in control over IT systems such as validation failures, incorrect input data, improper segregation of duties, unauthorized access to IT system, lack of monitoring may result in the financial accounts and report being misstated. In view of the same, we have considered this as Key Audit Matter and had focus on IT systems and controls, user access management, segregation of duties, system reconciliation controls and system application controls due to the complexity of the IT environment, huge daily operational volume across numerous locations and the reliance on automated and IT dependent manual controls.</p>  | <p>Our audit procedures focused on the IT infrastructure and applications relevant to the financial reporting:</p> <p>Evaluating the IT policy and procedures of the Company in accordance with accepted standards, guidelines and practices.</p> <p>Reviewing the organizational structure with job description, managerial policy and deployment of IT resources with respect to segregation of duties in IT environment to ensure that unauthorized data entry cannot take place and unauthorized programs are not allowed to run.</p> <p>The aspects covered in the IT systems General Control audit were</p> <p>(i) User Access Management</p> <p>(ii) System maintenance control have been ensured by understanding the design and the operating effectiveness of such controls in the system;</p> <p>Understanding updation that were made to the IT landscape during the audit period and assessing the relevant information for financial reporting.</p> <p>Application level embedded controls have been reviewed by performing validation checks, test check on logical access controls, a run through test to ensure non-manipulation of transaction entered into the system and other compensatory controls, wherever applicable.</p> |
| <p><b>5.3 Impairment Loss Allowance</b></p> <p>Management's judgements in the calculation of impairment allowances have significant impact on the financial statements. The estimates regarding impairment allowances are complex and require a significant degree of judgement, which increased with Expected Credit Loss ("ECL") model as required by Ind AS 109 relating to "Financial Instruments." Management is required to determine the expected credit loss that may occur over either a 12-month period or the remaining life of an asset, depending on the categorisation of the individual asset.</p> <p>The key areas of judgement include:</p> <ol style="list-style-type: none"> <li>1. Categorisation of loans in Stage 1, 2 and 3 based on identification of:             <ol style="list-style-type: none"> <li>a. exposures with significant increase in credit risk since their origination and</li> <li>b. Individually impaired / default exposures.</li> </ol> </li> <li>2. Techniques used to determine Loss Given Default ('LGD') and Probability of Default ('PD') to calculate ECL</li> <li>3. The impact of different forward-looking information including future macro-economic conditions in the determination of ECL.</li> </ol> <p>These judgements require new models to be built and implemented to measure the expected credit losses on certain financial assets measured at amortised cost. Management has made a number of interpretations and assumptions when designing and implementing models that are compliant with the new standard.</p> <p>The accuracy of data flows and the implementation of related controls are critical for the integrity of the estimated impairment provisions.</p> | <p>We obtained understanding of management's assessment of impairment of loans including the Ind AS 109 implementation process, impairment allowance policy and ECL modelling methodology.</p> <p>We assessed the design and implementation and tested the operating effectiveness of controls over the modelling process including governance over monitoring of the model and approval of key assumptions.</p> <p>We also assessed the approach of the Company for categorisation of the loans in various stages reflecting the inherent risk in the respective loans.</p> <p>For a sample of financial assets, we tested the correctness of stage-wise categorisation, reasonableness of PD, accuracy of LGD and ECL computation.</p> <p>We also assessed the appropriateness of the impairment methodology adopted by the management including the possible impact of the uncertainties associated with the COVID-19 pandemic. This included assessing the appropriateness of key judgements. We tested the accuracy of key data inputs and calculations used in this regard.</p> <p>Based on the above work performed, management's assessment of impairment loss allowance and related disclosure are considered to be reasonable.</p>       |

In respect of accounts where moratorium benefits had been extended based on RBI's COVID-19 Regulatory Package, assessment of impairment further depends on the possible impact of uncertainties associated with the Covid-19 pandemic in applying the judgement and estimates relevant for the impairment model.

In view of such high degree of Management's judgement involved in estimation of ECL, it is considered as a key audit matter.

#### Information Other than the financial statements and Auditor's Report thereon

6. The Company's Board of Directors is responsible for the other information. The other information comprises the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance Report and Shareholder's information but does not include the financial statements and our auditor's report thereon.
7. The other information is expected to be made available to us after the date of this auditor's report. Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.
8. In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

#### Responsibilities of Management and Those Charged with Governance for the financial statements

9. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

10. In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the financial statements

11. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
12. As a part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or override of internal control.
  - b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
  - c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
13. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
15. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
- Report on Other Legal and Regulatory Requirements**
16. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in exercise of the powers conferred by sub-section (11) of Section 143 of the Act we give in the "Annexure-A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 17. As required by Section 143(3) of the Act, we report that:**
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules 2015.
- (e) On the basis of the written representations received from the Directors as on 31st March 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2021, from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure-B".
- (g) According to the information and explanations given to us and based on the examination of the records, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act; and
- (h) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules 2014, in our opinion and to the best of our information and according to the explanations given to us;
- i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements as referred to Note 32 to the financial statements.
- ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii) There has been no delay in transferring the amounts required to be transferred to the Investor Education and Protection Fund ("IEPF") except for ₹ 500 that has not been transferred to IEPF for the reason described in Note 17 to the financial statements.

#### **Annexure –‘B’ to the Independent Auditor’s Report**

Referred to in paragraph 17(f) of the Independent Auditor’s Report of even date to the members of **Sakthi Finance Limited** on the Financial Statements for the year ended 31st March 2021

#### **Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Act**

1. We have audited the internal financial controls over financial reporting of Sakthi Finance Limited (“**the Company**”) as at 31st March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management’s responsibility for Internal Financial Controls**

2. The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of the internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“**ICAI**”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditor’s responsibility**

3. Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “**Guidance Note**”) and the Standards on Auditing issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established

and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence, we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial control system over financial reporting.

#### **Meaning of Internal Financial Control Over Financial Reporting**

6. A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial controls over financial reporting includes those policies and procedures that
- pertains to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
  - provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditure of the company are being made only in accordance with authorizations of management and directors of the company; and
  - provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company’s assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

7. Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in condition, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

8. In our opinion, the Company has, in all material respects, an adequate internal financial control system over

financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

The Board of Directors, at their meeting held on 30th June 2021, approved the Financial statements of the Company for the year ended 31st March 2021.

### 2. Significant Accounting Policies

#### a. Basis of preparation

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards ("**Ind AS**") notified under Section 133 of the Companies Act 2013 ("**the Act**") read together with Rule 3 of the Companies (Indian Accounting Standards) Rules 2015 (as amended from time to time) and the relevant provisions of the Act as applicable, Master Direction - Non-Banking Financial Company - Systematically Important Non-Deposit taking Company and Deposit taking company (Reserve Bank) Directions 2016 ("**the NBFC Master Directions**") and the notification for implementation of Indian Accounting Standard vide circular RBI/2019-20/170DOR(NBFC). CC.PD.No.109/22.10.106/2019-20 dated 13th March 2020 ('RBI Notification for Implementation for Ind AS') issued by RBI.

The financial statements have been prepared on a going concern basis and on historical cost convention, except for certain financial instruments that are measured at Fair Value Through Other Comprehensive Income ("**FVTOCI**") at the end of each reporting period. Accounting policies have been consistently applied to all periods presented, unless otherwise stated.

The regulatory disclosures as required by NBFC Master Directions to be included in the Notes forming an integral part of the financial statements are prepared as per RBI Notification for Implementation of Ind AS.

#### b. Presentation of Financial Statements

The company presents its balance sheet in the order of liquidity. Financial statements of the Company are prepared and presented in the format prescribed in the Division III to Schedule III to the Act applicable to

NBFCs, as notified by the Ministry of Corporate Affairs ("**MCA**"). Financial assets and financial liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognized amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances.

- The normal course of business
- The event of default
- The event of insolvency or bankruptcy of the Company and/or its counterparties.

The Financial Statements are presented in Indian Rupees (₹) which is the functional currency of the company and all values are rounded off to the nearest lakhs with two decimals except where otherwise indicated.

The aggregation and classification of amounts in the financial statements are based on materiality and similarity between the items. Items of dissimilar nature or function are separately presented unless they are immaterial except when required by law.

#### c. Use of Estimates, Judgements and Estimation uncertainty

The preparation of financial statements of the company involves use of estimates in computation of expected credit loss, making judgments in determination of fair value of financial assets and financial liabilities, assumptions for actuarial changes in defined benefit obligations. The Company based its assumptions and estimates on factors available when the financial statements were prepared.

The use of estimates and assumptions, which might have an effect on these financial statements. The estimates are based on historical experience and other factors that are considered to be relevant. The actual results may differ from these estimates. The company believes that the estimates used in preparation of financial statements are prudent and reasonable.

Existing circumstances and assumptions about future development, however, may change due to market changes or circumstances arising that are beyond the control of the company.

#### d. Impact of Covid 19

The COVID 19 pandemic has resulted in significant decrease in economic activities throughout the Country as well as Global. The Government of India and respective State Governments announced a strict curfew and lockdown across the country to control the spread of virus. This had a consequential impact

on the regular operations of the company. Further, the Company had extended the moratorium and also implemented resolution framework for eligible borrowers as per Reserve Bank of India ("RBI") directives issued from time to time. The relevant disclosures are given in Note 48 to the financial statements.

### e. Financial Instruments

#### i. Initial Recognition

Financial assets and Financial liabilities are initially recognized on the date the company becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities measured at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

Transaction costs directly attributable to the acquisition or issue of financial assets and financial liabilities that are measured at amortised cost are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

Unlike the other financial assets, Trade receivables are measured at transaction price at which the transaction had taken place.

#### ii. Classification and Measurement

The financial assets are classified based on the Company's business model for managing the financial assets and their contractual cash flow characteristics as subsequently measured:

- a) At amortised cost
- b) At Fair Value Through Other Comprehensive Income ("FVTOCI")
- c) At Fair Value Through Profit and Loss ("FVTPL")

The Company classifies financial liabilities at amortised cost unless it has designated liabilities at fair value through profit and loss.

#### Financial Assets at Amortised Cost

The classification of financial assets such as cash and cash equivalents, Loans, trade receivables and investments (other than classified at FVTOCI) are measured at amortized cost based on the assessment of business model as follows:

#### Business model Assessment

An assessment of business model for managing financial assets is fundamental to the classification of a financial asset.

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective. The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios and is based on observable factors such as:

- How the performance of the business model and the financial assets held within that business model are evaluated and reported to the company's key management personnel;
- The risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way those risks are managed;
- How managers of the business are compensated (for example, whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected); and
- The expected frequency, value and timing of loan disbursements based on the analysis of disbursements made and realisation of cash flows in previous periods.

The financial assets of the company are held within a business model, whose objective is to hold assets in order to collect contractual cash flows, are managed to realise cash flows by collecting contractual payments over the life of the instrument and within the business model whose objective is achieved by both collecting the contractual cash flows and selling the financial asset.

#### The Solely Payments of Principal and Interest ("SPPI") test on the principal amount outstanding:

For an asset to be classified and measured at amortised cost, its contractual terms should give rise to cash flows that meet SPPI test. For that purpose:

'Principal' for the purpose of this test is defined as the fair value of the financial asset at initial recognition and may change over the life of the financial asset.

The interest income represents the consideration for time value of money, credit risk, other basic lending risks and a profit margin that is consistent with a basic lending arrangement.

The SPPI assessment is made in the currency in which the financial asset is denominated.

The contractual terms of the financial asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest ("SPPI") on the principal amount outstanding.

## NOTES FORMING AN INTEGRAL PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021

### Financial Assets at FVTOCI

#### Equity instruments

The Company has made an irrevocable election to classify and measure the listed equity instruments at **FVTOCI** to present the subsequent changes in fair value under Other Comprehensive Income ("**OCI**") and the classification is determined on an instrument-by-instrument basis.

Gains and losses on these equity instruments are never recycled to profit or loss. Dividends are recognised in profit or loss as dividend income when the right to receive the payment has been established, except when the company benefits from such proceeds as a recovery of part of the cost of the instrument, in which case, such gains are recorded in OCI.

#### Financial liabilities at Amortised cost

The company had classified the debt instruments, redeemable non-convertible preference shares and other borrowed funds at amortised cost. Amortised cost is calculated by taking into account any discount or premium on issue of funds, and transaction costs that are an integral part of the Effective Interest Rate ("**EIR**").

Any fees, paid or received, transaction costs and other premiums or discounts that are included in the calculation of the effective interest rate are amortised over the expected life of the financial instrument.

### iii. Reclassification of Financial Instrument

The Company does not reclassify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances in which the Company acquires, disposes of, or terminates a business line. Financial liabilities are never reclassified. The Company did not reclassify any of its financial assets or liabilities during the financial year.

Till last year, the issue expenses relating to public issue of Non-Convertible Debentures was set-off against security premium. In the current year, the amortised issue expenses are written off in the statement of profit and loss and in future, the same write-off policy will continue.

### iv. Derecognition of Financial Instruments

#### Financial Asset

The Company derecognises the financial asset when, and only when:

- The contractual rights to receive the cash flows from the financial asset have expired, or

- The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:

- a. the Company has transferred substantially all the risks and rewards of the asset, or
- b. the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On derecognition of a financial asset, the difference between: (a) the carrying amount (measured at the date of derecognition) and (b) the consideration received shall be recognised in statement of profit and loss.

#### Financial Liability

The Company derecognises the financial liability when and only when it is extinguished i.e. when the contractual obligation is discharged or cancelled or expired.

A financial liability shall be considered as extinguished when there is an exchange between the Company and the lender with substantially different terms of the original financial liability or when there is a substantial modification of the terms of existing financial liability or part thereof.

On derecognition of a financial liability, the difference between: (a) the carrying amount and (b) the consideration paid shall be recognised in the statement of profit and loss.

### v. Impairment of Financial Assets

The impairment loss allowance is provided based on the Expected Credit Loss ("**ECL**") model.

The ECL is based on the credit losses expected to arise over the life of the financial asset (the lifetime expected credit loss), unless there has been no significant increase in credit risk since origination, in which case, the allowance is based on the 12 months' expected credit loss.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is the portion of Lifetime ECL that represent the ECLs that result from default events on a financial instrument that are possible within 12 months after the reporting date.

The Company has categorized its loans into Stage 1, Stage 2 and Stage 3, as detailed below:

## NOTES FORMING AN INTEGRAL PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021

### Stage 1:

Financial assets, where there has not been a significant increase in credit risk since initial recognition and that are not credit impaired upon origination, are classified under this Stage. Stage 1 loans also include facilities where the credit risk has improved and the loan has been reclassified from Stage 2 and 3. The Company provides 12-month ECL for Stage 1 assets.

### Stage 2:

Financial assets, where there has been a significant increase in credit risk since initial recognition but do not have a objective evidence of impairment, are classified under this Stage. The Company provides Lifetime ECL for Stage 2 assets.

### Stage 3:

90 Days Past Due is considered as default for classifying a financial instrument as credit impaired. For exposures that have become credit impaired, a lifetime ECL is recognised and interest revenue is calculated by applying the effective interest rate to the amortised cost (net of provision) rather than the gross carrying amount.

### f. Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

A fair value measurement assumes that the transaction to sell the asset or transfer the liability takes place either:

1. in the principal market for the asset or liability; or
2. in the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market is accessible by the company at the measurement date. The Company measures the fair value of an asset or liability using the assumption that market participants would use when pricing the asset or liability.

The price is either directly observable or estimated using another valuation technique. The Company had adopted valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value by maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

The company applied the fair value hierarchy for the inputs to valuation techniques used to measure fair value. The three levels of hierarchy are :

|         |   |
|---------|---|
| Level 1 | Those where the inputs used in the valuation are unadjusted quoted prices from active markets for identical assets or liabilities that the Company has access to, at the measurement date. The Company considers markets as active only if there are sufficient trading activities with regard to the volume and liquidity of the identical assets or liabilities and when there are binding and exercisable price quotes available on the balance sheet date.  |
| Level 2 | Those where the inputs that are used for valuation and are significant, are derived from directly or indirectly observable market data available over the entire period of the instrument's life. Such inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical instruments in inactive markets and observable inputs other than quoted prices such as interest rates and yield curves, implied volatilities and credit spreads. In addition, adjustments may be required for the condition or location of the asset or the extent to which it relates to items that are comparable to the valued instrument. However, if such adjustments are based on unobservable inputs which are significant to the entire measurement, the Company will classify the instruments as Level 3. |
| Level 3 | Those that include one or more unobservable input that is significant to the measurement as a whole   |

The Company determines appropriate classes of assets and liabilities on the basis of the following:

- a. the nature, characteristics and risks of the asset or liability; and
- b. the level of the fair value hierarchy within which the fair value measurement is categorized.

The company evaluates the levelling at each reporting period on an instrument-by-instrument basis and reclassifies instruments when necessary based on the facts at the end of the period.

### g. Property, Plant and Equipment ("PPE")

The Company recognises an item of property, plant and equipment when:

- a. it is probable that future economic benefits associated with the item will flow to the entity; and
- b. the cost of the item can be measured reliably.

The cost of assets comprises its purchase price, freight, duties, taxes and any other incidental expenses directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management.

## NOTES FORMING AN INTEGRAL PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021

Subsequent expenditure related to an item of tangible asset are added to its gross value only if it increases the future benefits of the existing asset, beyond its previously assessed standards of performance and cost can be measured reliably. Other repairs and maintenance costs are expensed off as and when incurred.

Property, Plant and Equipment is carried at cost less accumulated depreciation and any accumulated impairment losses.

Capital work in progress comprises the cost of PPE that are not ready for its intended use at the reporting date.

### Depreciation

Depreciation is calculated using the straight-line method to write down the cost of property and equipment to their residual values over their estimated useful lives which is in line with the estimated useful life as specified in Schedule II to the Act except for leasehold improvements which are amortised on a straight-line basis over the period of lease or estimated period of useful life of such improvement, subject to a maximum period of 60 months. Leasehold improvements include all expenditure incurred on the leasehold premises that have future economic benefits. The depreciation charge for each period will be recognised in the statement of profit and loss for the period.

| Particulars            | Useful life as prescribed by Schedule II to the Companies Act 2013 | Useful life estimated by the Company |
|------------------------|--|--------------------------------------|
| Buildings              | 60 years   | 60 years                             |
| Plant and Machinery    | 15 years   | 15 years                             |
| Plant - Windmills      | 22 years   | 22 years                             |
| Furniture and Fixtures | 10 years   | 10 years                             |
| Vehicles               | 8 years  | 8 years                              |
| Office Equipments      | 5 years  | 10 years                             |
| Computers              | 3 years  | 6 years                              |

The Management has considered the useful life of office equipments and computers as 10 years and 6 years respectively.

Property, Plant and Equipment is derecognised on disposal or when no future economic benefits are expected from its use.

Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the net carrying amount of the asset) is recognised in other income / netted off from any loss on disposal in the statement of profit and loss in the year in which the asset is derecognized.

### h. Intangible Assets

Intangible assets are carried at its cost less any accumulated amortisation and accumulated impairment losses, if any.

The intangible assets comprise computer software which is amortized over the estimated useful life, in as straight line method. The amortisation charge is calculated by using the straight line method to write down the cost of intangible assets over their estimated useful life of 6 years as per Management's estimate.

Amortization is recognised as an expense in the statement of profit and loss for the period. The Company has a practice of reviewing the method and period of amortisation at the end of each financial year.

An intangible asset is derecognised on disposal or when no future economic benefits are expected from its use or disposal.

Any gain or loss arising on derecognition of the intangible assets (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in other income / netted off from any loss on disposal in the statement of profit and loss in the year in which the asset is derecognized.

### i. Investment Property

Investment properties are properties held to earn rentals and/or for capital appreciation or both. Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and impairment losses, if any. When significant parts of the investment property are required to be replaced at intervals, the company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

The company, based on technical assessment made by management, depreciates the building over its estimated useful life of 60 years. The management believes that these estimated useful life is realistic and reflect fair approximation of the period over which the assets are likely to be used.

Though the Company measures investment property using cost based measurement, the fair value of investment property is disclosed in Note 9. Fair value is determined based on an annual evaluation performed by an accredited external independent valuer.

### j. Impairment of Non-Financial Assets

The Company reviews the carrying amounts of PPE, Investment Property and Intangible assets to determine, if there is an indication that those assets have suffered any impairment loss. In case of any such indication those non financial assets are tested for

## NOTES FORMING AN INTEGRAL PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021

impairment so as to determine the impairment loss if any at the end of each reporting period.

### k. Employee Benefits

#### Short Term Employee Benefits

Short-term employee benefits are recognised as expense when the related service is provided. A liability for salaries and wages, Bonus, leave encashment is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

#### Defined Contribution Plan

#### Employees Provident Fund ("EPF") and Employees State Insurance ("ESI")

Retirement benefits such as employee provident fund and employee state insurance comes under the defined contribution plan for which the Company make contributions to such schemes administered by government organisations set up under the applicable statute and are recognised as expense when an employee renders related service.

#### Defined Benefit Plan

##### Gratuity

The obligation in respect of defined benefit plans, which covers Gratuity is provided for on the basis of an actuarial valuation at the end of each financial year by an Independent Actuarial using Projected Unit Credit method. The Company makes contribution to a Gratuity Fund administered and managed by Life Insurance Corporation of India ("LIC").

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

Past services are recognised at the earlier of the plan amendment / curtailment and recognition of related restructuring costs/termination benefits.

The Company recognises the changes in the net defined benefit obligation such as service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements) under employee benefit expenses and net interest expense or income in the Statement of Profit and Loss in the line item, Employee Benefits Expenses.

Re-measurements of defined benefit plan, comprising actuarial gains and losses, the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to Other Comprehensive Income ("OCI") in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

The retirement benefit obligation recognised in the Balance Sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in the future contribution to the plans.

#### Other Long-Term Benefits

#### Leave Encashment, Compensated Absences and Sick Leave

The Company provides for the encashment / availment of leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment / availment. The liability is provided based on the number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation.

The service cost, interest on defined benefit liability and remeasurements of defined benefit liability is recognised in the statement of profit and loss.

### l. Income

#### i. Interest Income

The Company recognises interest income using Effective Interest Rate ("EIR") on all financial assets which are subsequently measured at amortised cost.

EIR is the rate that exactly discounts estimated future cash flows of the financial instruments through the expected life of the financial instrument or, where appropriate, a shorter period, to the net carrying amount. The future cash flows are estimated using the contractual terms of the instrument.

The Company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets. In case of credit-impaired financial assets ('Stage 3'), the Company recognises interest income on the amortised cost net of impairment loss of the financial asset at EIR. If the financial asset is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis.

Interest levied on customers for delay in repayments/non-payment of contractual cash flows is recognised on realisation.

Interest Income from Government securities is recognized on time proportion basis taking into account the amount outstanding and the rate applicable.

#### ii. Dividend Income

Dividend income on equity shares is recognized when the right to receive the payment is established by the reporting date.

## NOTES FORMING AN INTEGRAL PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021

### iii. Other Operating Income

The Company recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligations. Revenue is measured at the fair value of the consideration received or receivable.

The Company recognises income on recoveries of financial assets written off on realisation basis.

### iv. Fees and Commission Income

The Company recognises service and administration charges towards rendering financial services to its customers on satisfactory completion of service delivery. Cheque Bounce charges levied on customers for non payment of instalment on the contractual date is recognised on realisation. Foreclosure charges are collected from loan customers for early payment/closure of loan and are recognised on realisation.

### v. Sale of Power from Windmills

Income from power generation is recognized as per the Power Purchase Agreements with State Electricity Board and on supply of power to the grid.

### vi. Net gain/loss on fair value changes

The Company designates certain financial assets for subsequent measurement at FVTOCI. The Company recognises gains/loss on fair value change of financial assets measured at FVTOCI.

### m. Foreign Currency Transaction

The functional currency and presentation currency of the Company is Indian Rupee. Functional currency of the Company and foreign operations has been determined based on the primary economic environment in which the Company and its foreign operations operate considering the currency in which funds are generated, spent and retained.

Transactions in currencies other than the Company's functional currency are recorded on initial recognition using the exchange rate at the transaction date. At each Balance Sheet date, foreign currency monetary items are reported at the prevailing closing spot rate. Non-monetary items are measured in terms of historical cost in foreign currency and are not retranslated.

Exchange differences, if any that arise on settlement of monetary items or on reporting of monetary items at each Balance Sheet date at the closing spot rate are

recognised in the Statement of Profit and Loss in the period in which they arise.

### n. Borrowing Costs

Borrowing costs include interest expense calculated using the effective interest rate method as per Ind AS 109 on Financial Instruments and interest in respect of lease liability recognised in accordance with Ind AS 116.

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

### o. Income Taxes

Tax expense (tax income) comprises current tax expense (current tax income) and deferred tax expense (deferred tax income)

#### i. Current tax

Current tax is the amount of tax payable to (recovered from) the taxation authorities on the taxable income for the year determined in accordance with the provisions of the Income Tax Act 1961 and Income Computation and Disclosure Standards prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted by the end of reporting date. Current tax relating to items recognised outside the statement of profit and loss is recognised in correlation to the underlying transaction either in OCI or directly in other equity.

#### ii. Deferred Tax

Deferred tax is the tax effect on temporary differences between the tax bases of assets and liabilities and their carrying amounts in the Financial Statements as at the reporting date.

Deferred tax liability is recognised for all taxable temporary differences and deferred tax asset is recognised for all deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The Company reviews the carrying amount of a deferred tax asset as at the end of each reporting period and reduce the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or all of that deferred tax asset to be utilised.

## NOTES FORMING AN INTEGRAL PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021

Deferred tax relating to items recognized outside profit or loss is recognised either in Other Comprehensive Income or in other equity.

### p. Goods and Services Input Tax Credit

Input Tax credit is accounted for in the books in the period when the underlying service/supply received is accounted to the extent permitted as per the applicable regulatory laws and when there is no uncertainty in availing/utilising the same. The ineligible input credit is charged off to the respective expense or capitalised as part of asset cost as applicable.

### q. Leases

#### As a Lessee

The Company has applied Ind AS 116 'Leases' for all lease contracts except for short term leases and leases for which underlying asset is of low value on modified retrospective approach.

Right of Use Asset is initially measured as at the sum of initial measurement of the lease liability and any lease payments made at or before the date of commencement of lease, adjusted by any lease incentives received. On subsequent period, the Right of Use Asset is measured at cost less accumulated depreciation and any accumulated impairment losses with adjustment for remeasurement of lease liability.

Lease Liability is initially measured at the present value of the lease payments that are not paid as at that date of recognition discounted at the Company's incremental borrowing rate. If Lease liability subsequently undergoes changes on account of interest on the lease liability, lease payments and remeasurement of the carrying amount on any reassessment or lease modifications.

#### Amendments to Ind AS 116 Covid-19 Related Rent Concessions:

The amendments provide relief to lessees from applying Ind AS 116 guidance on lease modification accounting for rent concessions arising as a direct consequence of the Covid-19 pandemic. As a practical expedient, a lessee may elect not to assess whether a Covid-19 related rent concession from a lessor is a lease modification. A lessee that makes this election accounts for any change in lease payments resulting from the Covid-19 related rent concession the same way it would account for the change under Ind AS 116, if the change were not a lease modification. This amendment had no significant impact on the financial statements of the Company.

#### As a Lessor

The Company recognises the lease payments from operating lease as income on the basis of contractual terms between the Lessee and the Company.

### r. Provisions and Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will

be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. When there is a possible obligation or a present obligation in respect of which the likelihood of out flow of resources is remote, no provision or disclosure is made.

A present obligation that arises from past events, where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company

Contingent assets are not recognised in the financial statements. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognized.

### s. Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash on hand, cheques and drafts on hand, balance with banks in current accounts and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of change in value.

### t. Statement of Cash Flow

Statement of Cash Flows are reported using the indirect method, whereby the net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The statement of cash flows from operating, investing and financing activities of the Company are segregated.

### u. Earnings Per Share ("EPS")

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for shares issued during the year. For the purpose of calculating diluted EPS, profit after tax for the year attributable to the equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

**Terms/rights attached to RCPS**

The RCPS do not have voting rights other than matters which directly affect them. In the event of any due and payable dividends remain unpaid for aggregate period of at least two years prior to the start of any general meeting of the equity shareholders, RCPS holders shall have voting rights in line with their voting rights of the equity shareholders. The RCPS will be redeemed at the end of three years from the date of allotment and the payment of dividend would be in accordance with the terms agreed at the time of issuance of RCPS.

On winding up or repayment of capital, RCPS holders enjoy preferential rights vis a vis equity shareholders, for repayment of capital paid-up and shall include any unpaid dividends.

For the year ended 31 March 2021, the Company declared and paid an interim dividend of ₹ 134.75 lakhs after deduction of TDS of ₹ 5.54 lakhs on RCPS of ₹ 100 each fully paid (31st March 2020 : ₹ 129.65 lakhs).

## NOTES FORMING AN INTEGRAL PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021

### Nature and purpose of reserves

**Capital reserve:** Capital reserve is the excess amount received on re-issue of forfeited equity shares in an earlier year.

**Securities Premium :** The amount received in excess of face value of the equity shares is recognised in Securities premium. The reserve can be utilised only for limited purposes such as issuance of bonus shares in accordance with the provisions of the Companies Act 2013. Debenture issue expenses were written off against Securities Premium till the Public Issue of Non-Convertible debentures - Issue III.

**General reserve:** General reserve was created through an annual transfer of net profit at a specified percentage in accordance with applicable regulations. General reserve can be utilised only in accordance with the specific requirements of Companies Act 2013.

### Debenture Redemption Reserve ("DRR"):

As per Ministry of Corporate Affairs ("MCA") notification dated 16 August 2019 through amendment in the Companies (Share Capital and Debentures) Rules, the requirement to create Debenture Redemption Reserve ("DRR") is no longer required for listed NBFCs registered with Reserve Bank of India under Section 45-IA of the RBI Act 1934, for the value of outstanding both public issue of debentures and privately placed debentures. Accordingly, the Company has not created any amount of DRR and transferred the carrying amount of DRR created up to financial year 2018-19 to retained earnings in the financial year ended 31st March, 2020.

**Statutory reserve:** Every year the Company transfers a sum of not less than twenty per cent of net profit of that year as disclosed in the statement of profit and loss to its Statutory Reserve as per Section 45-IC of the RBI Act, 1934.

**Retained earnings:** Retained earnings are the profits that the Company has earned till date less any transfers to statutory reserve, debenture redemption reserve, general reserve, dividend distributions paid to shareholders and transfer from debenture redemption reserve.

**36. CAPITAL MANAGEMENT**

The company determines the amount of capital required on the basis of factors like funding structure, capital adequacy ratio and leveraging ratios. The capital adequacy ratio workings are given below. The capital structure is also monitored on the basis of Capital Adequacy Ratio.

The Company has complied with all regulatory requirements related to capital and capital adequacy ratios as prescribed by RBI.

| Particulars                          | As at 31.03.2021   | As at 31.03.2020 |

| <b>Total Capital</b>                 | <b>27,097.61</b>   | 26,125.65        |
| Aggregate of Risk Weighted Assets    | <b>1,20,332.70</b> | 1,19,197.86      |
| <b>Tier-I Capital adequacy ratio</b> | <b>13.05</b>       | 12.88            |
| <b>Total Capital adequacy ratio</b>  | <b>22.52</b>       | 21.91            |

“Tier I Capital” means owned fund as reduced by investment in shares of other non-banking financial companies and in shares, debentures, bonds, outstanding loans and advances including hire purchase and lease finance made to and deposits with subsidiaries and companies in the same group exceeding, in aggregate, ten per cent of the owned fund.

“Owned fund” means paid up equity capital, preference shares which are compulsorily convertible into equity, free reserves, balance in share premium account and capital reserves representing surplus arising out of sale proceeds of asset, excluding reserves created by revaluation of asset, as reduced by accumulated loss balance, book value of intangible assets and deferred revenue expenditure, if any.

“Tier II Capital” includes the following :

- a. preference shares other than those which are compulsorily convertible into equity;
- b. revaluation reserves at discounted rate of fifty five per cent;
- c. General provisions (including that for Standard Assets) and loss reserves to the extent these are not attributable to actual diminution in value or identifiable potential loss in any specific asset and are available to meet unexpected losses, to the extent of one and one fourth per cent of risk weighted assets
- d. hybrid debt capital instruments; and
- e. Sub-Ordinated debt to the extent the aggregate does not exceed Tier I capital.

**Aggregate of Risk Weighted Assets:**

Under RBI Guidelines, degrees of credit risk expressed as percentage weightages have been assigned to each of the on-balance sheet assets and off-balance sheet assets. Hence, the value of each of the on-balance sheet assets and off-balance sheet assets requires to be multiplied by the relevant risk weights to arrive at risk adjusted value of assets. The aggregate shall be taken into account for reckoning the minimum capital ratio.

## NOTES FORMING AN INTEGRAL PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021

### 40. DISCLOSURE REQUIREMENTS UNDER IND AS 19 ("Employee Benefits")

#### a. Defined benefit obligation - Gratuity

The Gratuity scheme is a defined benefit plan that provides for a lumpsum payment upon death while in employment or at the time of separation. Based on rules of the scheme, the benefits are calculated on the basis of last drawn salary and the period of service rendered and paid as lumpsum. There is a vesting period of 5 years. The plan involves the following risks that affect the liabilities and cash flows.

##### 1. Interest rates risk:

The defined benefit obligation calculated using a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

##### 2. Salary inflation risk:

Higher than expected increases in salary will increase the defined benefit obligation.

##### 3. Demographic risks:

This is the risk of volatility of results due to unexpected nature of decrements that include mortality attrition, disability and retirement. The effects of this decrement on the DBO depend upon the combination of salary increase, discount rate, and vesting criteria and therefore not very straight forward. It is important not to overstate withdrawal rate because the cost of retirement benefit of a short service employees will be less compared to long service employees.

##### 4. Actuarial Risk:

It is the risk that benefits will cost more than expected. This can arise due to one of the following reasons:

**Adverse Salary Growth Experience:** Salary hikes that are higher than the assumed salary escalation will result into an increase in Obligation at a rate that is higher than expected.

**Variability in mortality rates:** If actual mortality rates are higher than assumed mortality rate assumption then the Gratuity benefits will be paid earlier than expected. Since there is no condition of vesting on the death benefit, the acceleration of cash flow will lead to an actuarial loss or gain depending on the relative values of the assumed salary growth and discount rate.

**Variability in withdrawal rates:** If actual withdrawal rates are higher than assumed withdrawal rate assumption then the Gratuity benefits will be paid earlier than expected. The impact of this will depend on whether the benefits are vested as at the resignation date.

##### 5. Investment Risk:

For funded plans that rely on insurers for managing the assets, the value of assets certified by the insurer may not be the fair value of instruments backing the liability. In such cases, the present value of the assets is independent of the future discount rate. This can result in wide fluctuations in the net liability or the funded status if there are significant changes in the discount rate during the inter-valuation period.

**b. Other Long Term Benefits - Leave Encashment**

The leave encashment is long term benefit plan, that provides for a lumpsum payment upon death of employee or at the time of separation. Based on scheme rules the benefits are calculated on the basis of last drawn salary and the leave count and paid as lumpsum.

The benefit involves the following risks that affect the liabilities and cash flows.

**NOTES FORMING AN INTEGRAL PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021**
**1. Interest rates risk :**

The defined benefit obligation calculated using a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

**2. Salary inflation risk:**

Higher than expected increases in salary will increase the defined benefit obligation.

**3. Demographic risks:**

This is the risk of volatility of results due to unexpected nature of decrements that include mortality attrition, disability and retirement. The effects of this decrement on the DBO depend upon the combination of salary increase, discount rate, and vesting criteria and therefore not very straight forward. It is important not to overstate withdrawal rate because the cost of retirement benefit of a short service employees will be less compared to long service employees.

The risk management policies are periodically reviewed by the Risk Management Committee and Audit Committee.

#### **Credit Risk**

Credit risk is the risk that arises when the borrowers of the company are unable to meet the financial obligations.

The Company has a comprehensive and well-defined credit policy, which encompasses a credit approval process for all businesses along with guidelines for mitigating the risks associated with them. The appraisal process includes a detailed risk assessment of the borrowers, physical verifications and field visits. The company has a robust post sanction monitoring process supervision and follow-up to identify portfolio trends and early warning signals. This enables the company to implement necessary changes to the credit policy, whenever the need arises. Also being in asset finance, the company's lending is secured by adequate collaterals from the borrowers.

Repayment by individual customers and portfolio is tracked regularly and required steps for recovery are taken through follow ups and legal recourse.

In assessing the impairment of financial loans under Expected Credit Loss ("ECL") Model, the assets have been segmented into three stages. The three stages reflect the general pattern of credit deterioration of a financial instrument. The difference in accounting between stages, relate to the recognition of expected credit losses and the measurement of interest income.

The Company categorises loan assets into stages primarily based on the Days Past Due Status.

Stage 1 : 0-30 days past due

Stage 2 : 31-90 days past due

Stage 3 : More than 90 days past due

#### **Expected Credit Loss ("ECL")**

As a result of adoption of Ind AS, the company has followed Ind AS 109 for the calculation of expected credit loss. The measurement of ECL involves three main components Viz, Exposure at Default (EAD), Probability of Default (PD) and Loss Given Default (LGD).

#### **Definition of Default**

If the borrower is past due for more than 90 days on any material credit obligation to the Company or the borrower is unlikely to pay his credit obligations to the Company in full, it is considered as default.

#### **Probability of Default ("PD")**

The Probability of Default is an estimate of the likelihood of an account getting into default over a given time horizon. The PD model reflects the probability of default, taking into consideration the residual tenor of each contract and it relies not only on historical information and the current economic environment, but also considers forward-looking information such as the forecasts on the macro-economic factors like GDP, Inflation rate etc.

#### **Loss Given Default**

The Loss Given Default is an estimate of the loss arising in case where a default occurs at a given time. It is based on the difference between the contractual cash flows due and those that the Company would expect to receive, including from the realisation of any collateral. It is usually expressed as a percentage of the EAD.

#### **Exposure at Default**

Exposure at Default (EAD) is defined as the sum of principal outstanding and interest accrued at the reporting date.

#### **Collateral Valuation**

To mitigate its credit risks on financial assets, the Company seeks to use collateral, whereas possible. The collateral comes in various forms, such as movable and immovable assets, guarantees, etc.

#### **Write-offs**

Financial assets are written off either partially or in their entirety only when the Company has no reasonable expectation of recovery. If the amount to be written off is greater than the accumulated loss allowance, the difference is recorded as an expense in the period of write off. Any subsequent recoveries against such loans are credited to the statement of profit and loss.

**Liquidity Risk**

Liquidity risk is the risk related to cash flows and the inability to meet the company's liabilities as and when they become due. It arises from the mismatches in the maturity pattern to cope with a decline in liabilities or increase in assets

The Company monitors these risks through appropriate risk limits. Asset Liability Management Committee ("ALCO") reviews these risks and related trends and helps adopt various strategies related to assets and liabilities, in line with company's risk management framework.

## NOTES FORMING AN INTEGRAL PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021

### Market Risk

Market Risk is the risk arising in financial instruments due to changes in market variables such as interest rates, liquidity etc. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while maximising the return.

### Interest Rate Risk

Interest Rate Risk is the possibility of loss arising from changes in the value of financial instruments as result of changes in market variables such as interest rates and other asset prices. The company's exposure to market risk is a function of asset liability management activities. Except the borrowings from banks, the interest rates of which are linked to MCLR, other borrowings are fixed rate instruments. The Company has not availed any foreign currency borrowings. The major portion of lending is at fixed rates.

The interest rate profile of the interest bearing financial instruments is as follows

**vi. Institutional set-up of liquidity risk management**

The Board of Directors of the Company have an overall responsibility for the management of all types of risks, including liquidity risk, to which the Company is exposed in the normal course of its business. Further, the Board of Directors have constituted a Risk Management Committee ("RMC"), as mandated by RBI, for the effective supervision, evaluation, monitoring and review of various aspects and types of risks, including liquidity risk, faced by the Company. The meetings of RMC are presently held as may be necessary. Moreover, the Board of Directors have also constituted an Asset Liability Committee ("ALCO"), for the management of the Company's short and long-term funding and meeting liquidity requirements. The Company manages liquidity risk by maintaining adequate reserves and surplus, accessing undrawn bank facilities and obtaining funding from various other sources, as may be feasible. ALCO provides guidance and direction in terms of interest rate, liquidity, funding sources etc. ALCO meetings are held as may be required. The minutes of ALCO meetings are placed before the Board of Directors at their next meeting for their perusal / approval / ratification.

## NOTES FORMING AN INTEGRAL PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021

### Definition of terms as used in the table above:

a) Significant counter party:

A "Significant counterparty" is defined as a single counterparty or group of connected or affiliated counterparties accounting in aggregate for more than 1% of the NBFC's total liabilities.

b) Significant instrument/product:

A "Significant instrument/product" is defined as a single instrument/product of group of similar instruments/products which in aggregate amount to more than 1% of the NBFC's total liabilities.

c) Total liabilities:

Total liabilities include all external liabilities (other than equity).

d) Public funds:

"Public funds" includes funds raised either directly or indirectly through public deposits, inter-corporate deposits, bank finance and all funds received from outside sources such as funds raised by issue of commercial papers, debentures etc. but excludes funds raised by issue of instruments compulsorily convertible into equity shares within a period not exceeding 5 years from the date of issue. It includes total borrowings outstanding under all types of instruments/products.

e) Other short-term liabilities:

All short-term borrowings other than CPs and NCDs with original maturity less than 12 months

### Disclosure on Liquidity Coverage Ratio ("LCR")

As part of the Liquidity Risk Management Framework for NBFCs, RBI has mandated maintenance of Liquidity Coverage Ratio ("LCR") effective 1st December, 2020. The Company is required to maintain adequate unencumbered High Quality Liquid Asset ("HQLA") to meet its liquidity needs for a 30 calendar-day time horizon under a significantly severe liquidity stress scenario. The objective of the LCR is to promote the short-term resilience of the liquidity risk profile. The LCR requirement is binding on the Company from December 1, 2020 with the minimum HQLAs to be held being 50% of the LCR, progressively reaching up to the required level of 100% by December 1, 2024.

The LCR is calculated by dividing the company's stock of HQLA by its total net cash outflows over a 30-day stress period. High Quality Liquid Assets ("HQLA") means liquid assets that can be readily sold or immediately converted into cash at little or no loss of value or used as collateral to obtain funds in a range of stress scenarios.

Major source of borrowings for the Company are Non-Convertible Debentures, Term loans from Banks, and Public deposits. Details of funding concentration from Significant counter party are given in Note 47 (3)
